# 10GBase-T 1x4 RJ45 PulseJack

February 2015

JT6-1473NL & JT6-1480NL

➢ ## 10G 1x4 RJ45 PulseJack

  ➢ Qualified for 10GBase-T Aquantia, Broadcom and Marvell PHY
  ➢ Supports Power over Ethernet (PoE) up to 60W and meets IEEE802.3 and IEEE802.3at specs (JT6-1480NL)
  ➢ Compatible with 1Gbps and 100Mbps data throughputs
  ➢ RoHS compliant
  ➢ Solder through hole technology (THT), LEDs, tab up latch
  ➢ Production released, samples are available

JT6-1473NL

JT6-1480NL

Pulse Electronics

Applications

➢ Designed for 10GBase-T Ethernet switch, servers and access point routers
